YOUR TURNKEY SOLUTION

TO IN-STORE FOOD SAFETY SYSTEMS

- ✓ *Dedicated Training Personnel*
- ✓ *Full Compliancy Signage*
- ✓ *Food Safety Systems*
- ✓ *Micro-Bacterial Testing*
- ✓ *Health And Safety Store Requirements*

Food Safety Systems:

To ensure effective food control, it is crucial that South Africa's Food Safety Control Program contains food control regulatory activities that are enforced by businesses themselves and local authorities to provide consumer protection, by thus ensuring our responsibility towards our customers and staff in a safe and suitable environment for consumption thereof.

What u can expect regarding on-going support from Monument Cleaning Solutions:

- ✓ Random compliance checks regarding Hygiene, Health and Safety.
- ✓ Access to relevant documentation via online website (www.monumentcs.co.za).
- ✓ Assistance regarding short comings and non-compliance.
- ✓ On-going support regarding compliance levels in store.
- ✓ On-going support regarding training requirements.
- ✓ Compiling of compliance reports during store visits as well as 2 hygiene swabs with results.
- ✓ On-going store visits to ensure compliancy.

Dedicated Training personnel:

Our qualified training personnel are dedicated to ensuring all your staff and management have the required knowledge regarding Hygiene, Health and Safety as well as the chemicals used in-store.

Online Store Portal:

Each store will have access to a unique online portal with all documentation, checks, monthly statements and business relevant paper trails. Our office will provide each store with a log-in and password to access our website and make use of the above mentioned documentation. The portal can also be used for keeping and securing important store specific paperwork.

The website has a full ordering function assisting you with placing and tracking orders 24 hours a day. Visit us at www.monumentcs.net.

The above is subject to a pre-determined average spend of each store across the various product categories as per pricing proposal attached. Terms and Conditions apply.
