Food Safety Proposal

Monument Cleaning Solutions is a supplier of several easy-to-use effective cleaning products to various sectors in the market. We regard product quality as one of the most important factors in today's competitive market.

We aim to supply quality, easy to use highly cost-effective cleaning products. All containers are pre-sealed from the factory, always insuring you of consistent quality. We strive to ensure that the products we supply are multifunctional, thus minimizing the number of products used. We supply a full range of general cleaner's, biocide cleaners, food safe products, floor care products, degreasers, car care products, household, office and workshop products.

We are currently providing our services to a vast base of customers in the restaurants, fast foods, guest houses, catering & processing plants industries.

We are currently servicing the following areas, Centurion, Pretoria, Bela-Bela, Gauteng South, West Rand, Midrand, Gauteng North, East Rand, Springs, Northwest, Vaal, Secunda, Middelburg, Johannesburg Central, Potchefstroom, Klerksdorp, Carletonville, Nelspruit, Middelburg, Witbank, Free State, Harrismith, Polokwane.

WE SPECIALIZE IN:

- Cleaning chemicals
- Cleaning sundries
- Paper products
- Packaging equipment
- Cleaning equipment
- Bathroom equipment
- Printing and stationary products
- Protective clothing

The following will be implemented in the stores:

- 1 x 4 Stage dosing system with a lockable cage.
- 1 x Dishwasher Dosing.
- Color coded spray bottles with triggers
- Hand washing procedures
- Chemical wall chart
- Color coded documentation

We will provide a trainer to do department training with the staff, as well as the managers upon the stores request. A signed register of the people that was trained as well as what type of training was done, will be provided. Trainers will also inspect all equipment to make sure it is in a working condition. Basic Health & Safety Training can be provided on request.

There will be a Representative from Monument Cleaning Solutions visiting the store on a regular basis, assisting with orders, informing the store about the current specials, as well as handling any queries or requests.

What else to expect from us:

- ✓ Secure online portal regarding necessary regulations, requirements and paper trail pertaining to food safety.
- ✓ Online ordering system and order tracking.
- ✓ Tele-sales department available 6 days per week.
- ✓ Centralized invoicing and ordering department.
- ✓ Dedicated delivery fleet, ensuring delivery to your back door.
- ✓ Account facilities available on successful applications.
